

Hello, PEC!

Community Development Council of Quinte and the Ontario Trillium Foundation are committed to bringing low-cost fruits and vegetables to your community. These produce markets **are open to everyone, with almost 3000 Hastings county citizens served in 2017.**

By answering a few questions, you can help inform our decision-making process and ensure this market continues to have a positive impact on your community.

1. Please suggest an **indoor location** in PEC that you believe community members would have easy access to, all year round. _____.

2. Please suggest a **Day and time of day** that you believe would meet many shoppers needs.
